Tips for pleasant travel

Hokkaido can be divided into five areas, each with features unique to Hokkaido. Such features defy simple description: magnificent nature, beautiful coastal scenery, the greatest number of hot springs in Japan, tourist events capitalizing on local characteristics, abundant fresh seafood. Please use this Transportation Map to make your trip delightful.

Central Area

Sapporo

Steel concret structures, beautiful seafood, and local culture. This is the heart of Hokkaido. Home to the Sapporo Beer Museum, you can taste the local beer here.

Recommended regular sightseeing bus

Redeemable discount tickets are available, such as tickets to all transportation lines, especially discount tickets and connecting tickets by the area. Please make the best use of them during your trip to Hokkaido.

Hokkaido Sightseeing Bus Plan

This plan offers two types of bus tickets, which are available for sightseeing tours and some buses in Sapporo.
